- *Patented slide bar allows deployment of weapon with no interference.*
- *United States Patent number US 6,427,373 B1*
- *Only lanyard possessing this patented quality system*
- *Retractable coil stretches to accommodate any firing position*

## THE SAFEST WAY TO SECURE YOUR SIDEARM AND EQUIPMENT

The **PISTOL LEASH™** is the best way to keep your sidearm safely with you. The **PISTOL LEASH™** was designed upon learning of a Federal agent losing his sidearm on a mission in South America, it is now available to the general public.

**PISTOL LEASH™** easily attaches between the handgun and belt or tactical vest. The retractable cable stretches to accommodate any firing position. And its patented slide bar allows for the deployment and re-holstering of the weapon with no interference. **PISTOL LEASH™** is the only lanyard possessing this quality system.

Additionally active sportsmen will find multiple uses for the **PISTOL LEASH™** attaching to flashlights, radios, GPS systems, multipurpose tools and knives. The **PISTOL LEASH™** is an inexpensive insurance policy for your equipment.

**PISTOL LEASH™** is made in the USA and is currently used by various Military and Law Enforcement Agencies in America and around the world. Retailing at only **\$29.99**. Call for special distributor pricing.
